The Achievement of Yesterday
Is the Beginning of Today

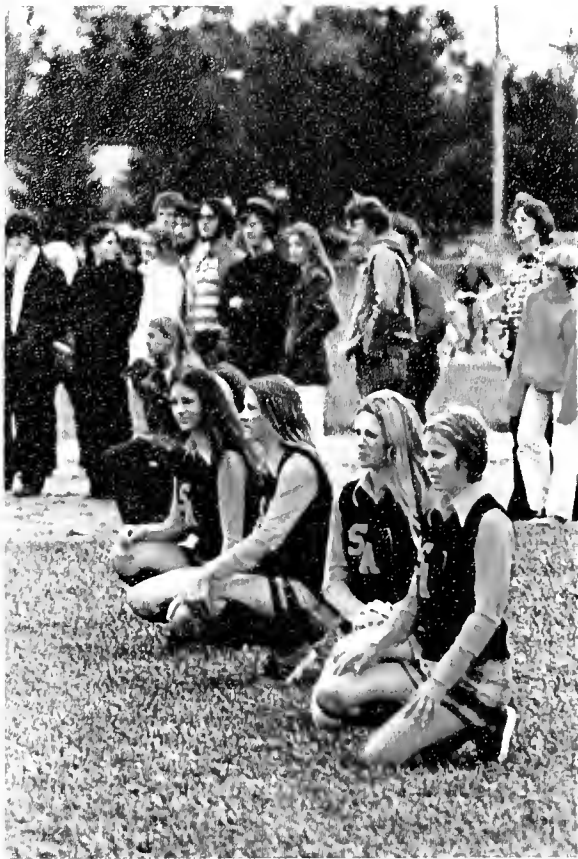

For today is Life,
the very Beginning
of Life
in its brief course
lie all varieties
and realities of
existence.

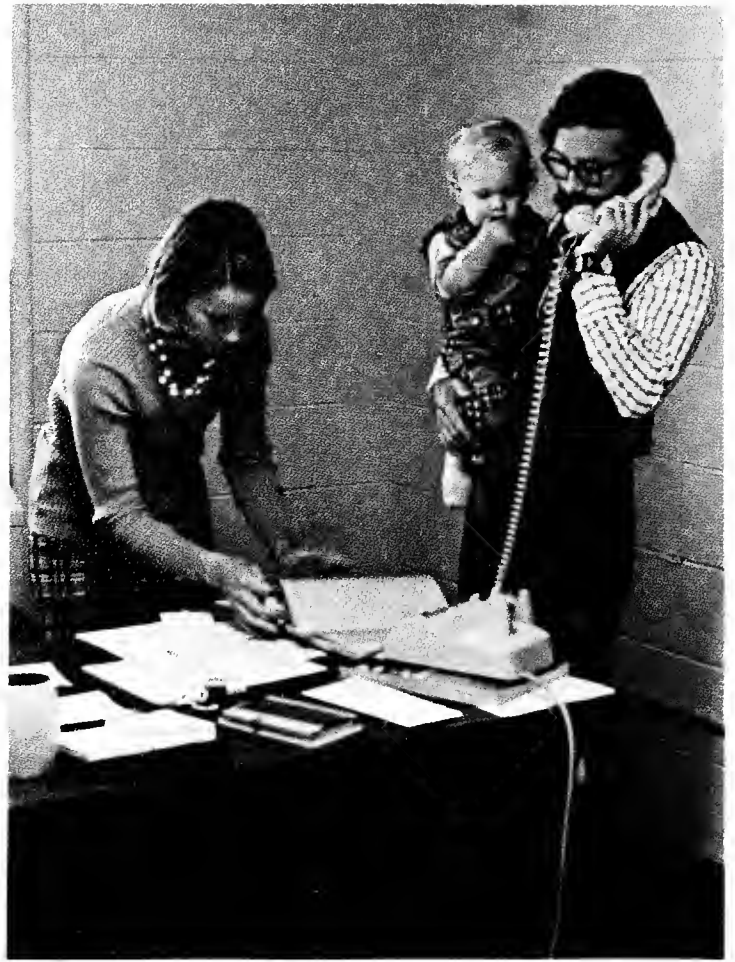

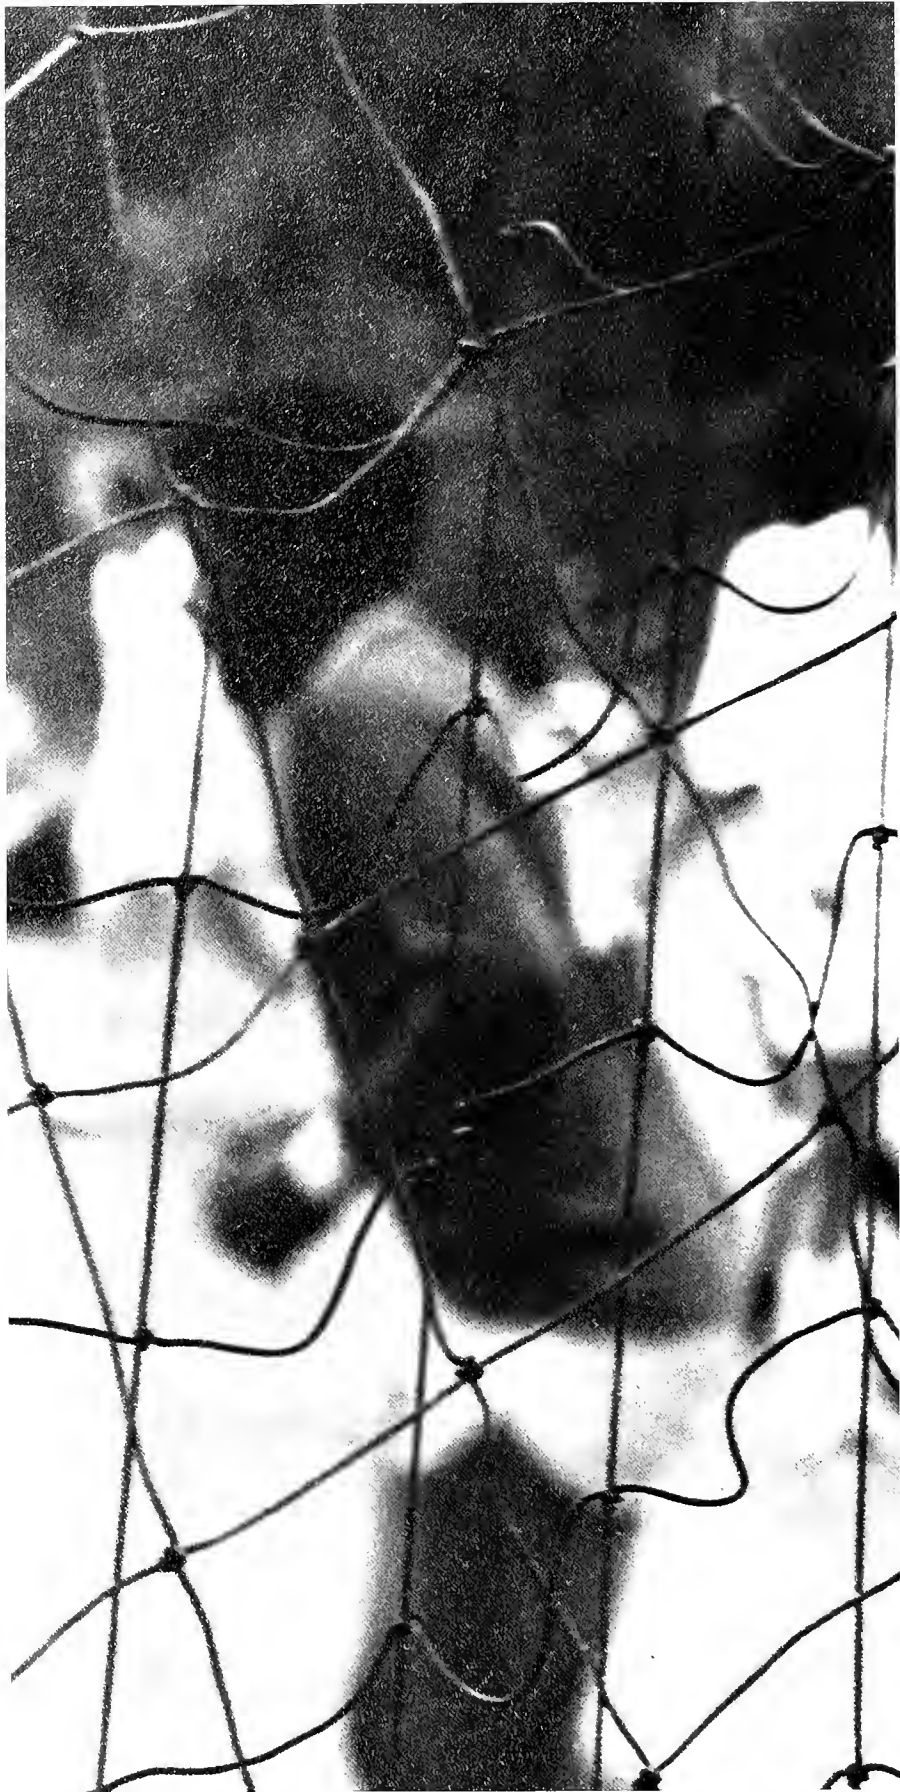

The bliss of growth,
the story of action,
the splendor of beauty.

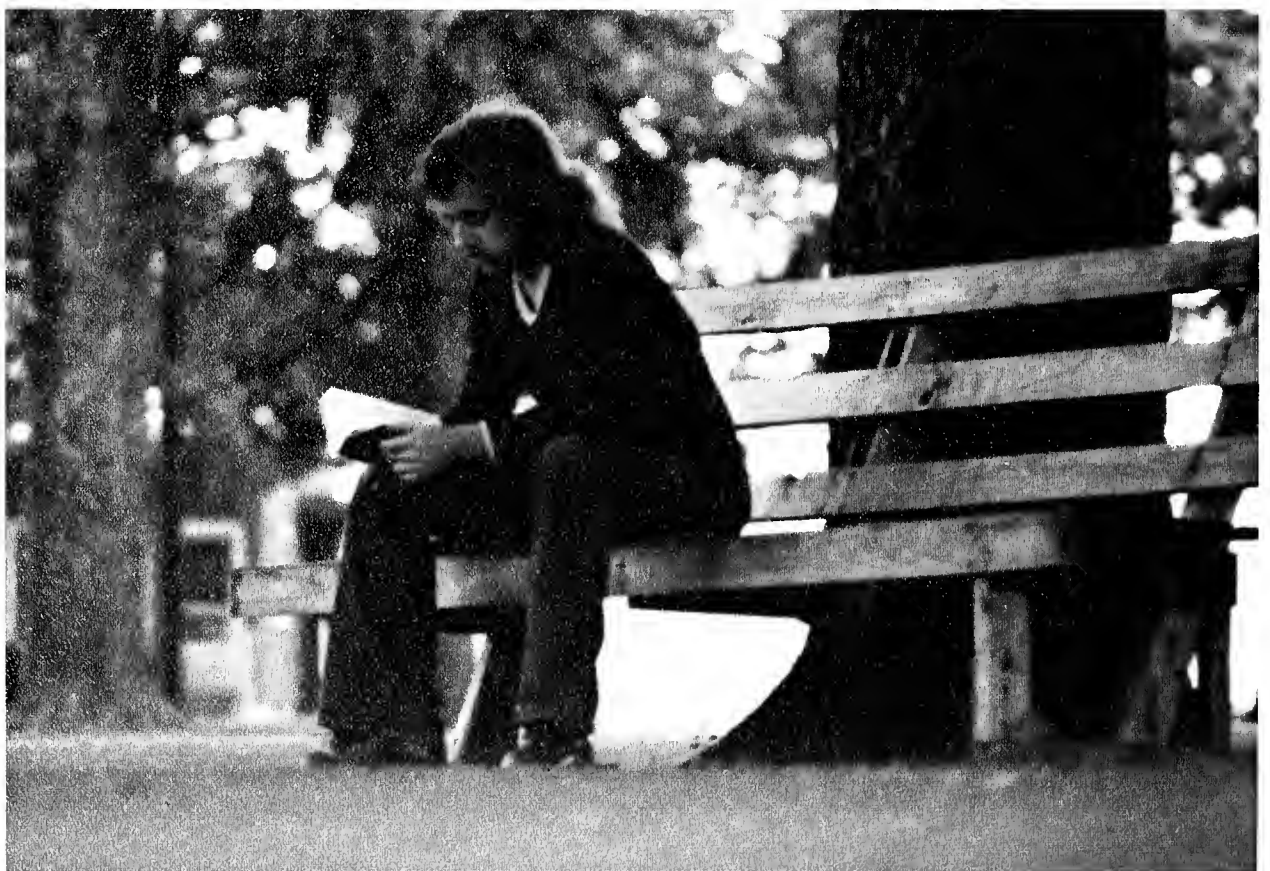

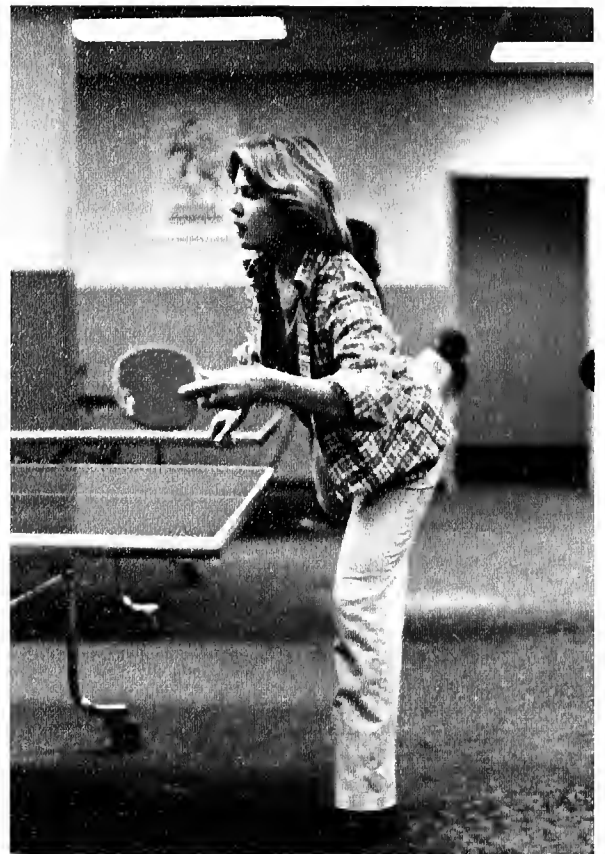

For yesterday is
already a memory
and tomorrow is
a vision;

But today well
lived makes every
yesterday a
memory of
happiness

And tomorrow's
vision a hope.
Look well, therefore,
to this Day.
Such is the
salutation of the
dawn.

For the past 21 years Spring Arbor College has experienced Dr. Harold W. Darling as Dean of Students, Registrar, Academic Dean, and presently Chairman of the Social Science Division and Professor of Psychology. But most of us will remember him best as the warm, sensitive man that he is.

His caring spirit, deep commitment to God, and family devotion have led him to an intense involvement with students, his church, his community, and the needy of Bangladesh through the Society of Christian Action.

His professional competency as a teacher and counselor coupled with his empathetic understanding have earned him the deep respect and admiration of students and colleagues alike.

It is with deep affection and pride that we dedicate the 1974 Echo to Dr. Harold W. Darling, whose listening ear and wise counsel have helped many of us to see that the achievements of today are the beginning of a better tomorrow.

Dedication

Dr. Harold W. Darling

For God hath not given us the spirit of fear, but of power, and of love, and of a sound mind. (2 Timothy 1:7)

Flowers

or Algernon

Karen Starcher, Paul Patton, Debra Price, and Dan Naegele.

"Flowers for Algernon" was this year's drama presentation selection for the interim Dramatics class. The play was presented as part of the requirements for the class, as well as using other interested people from the college.

"Flowers for Algernon" is an episodical play with flashbacks of Charlie Gordon's early life. The life of Charlie is viewed as he moves from the state of a moron to the intellectual capacity of a genius. The tampering of the mind by science creates new problems for Charlie that neither he nor the scientist can handle. The play raises the serious question of whether anyone should play God.

The play was presented on February 8 and 9 and was very well received by the college community and friends.

Ron Lemmon, Jeff Evoy, Dennis Crookedacre, and Brenda Fouty.

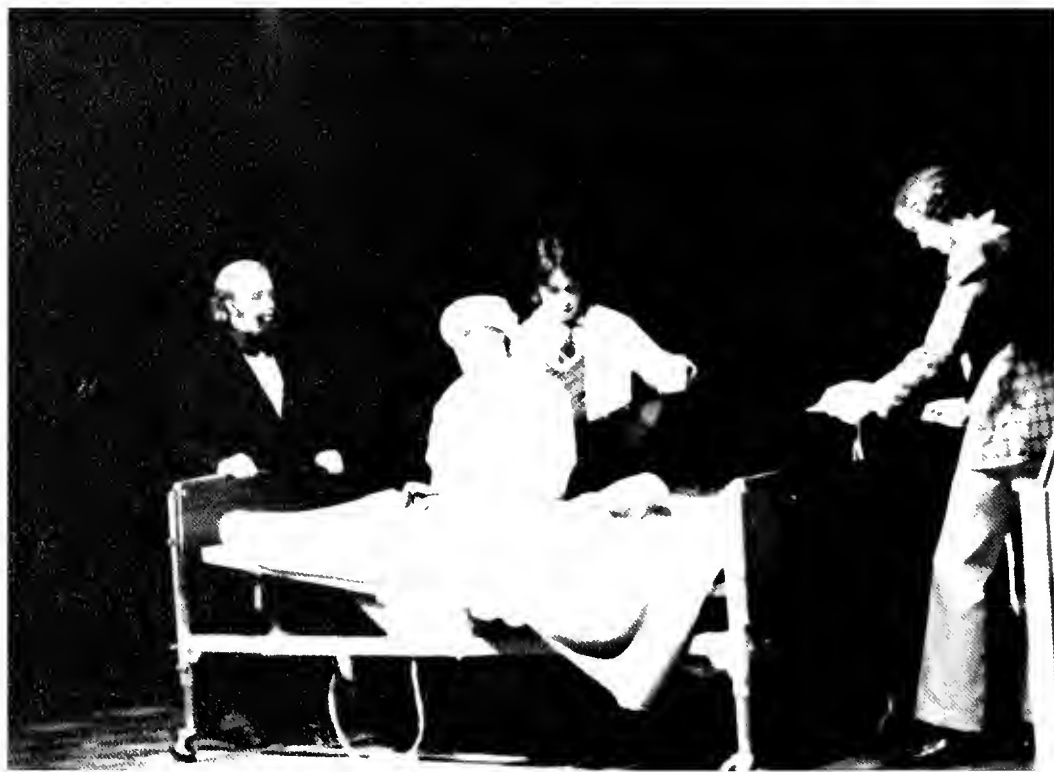

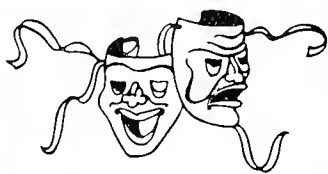

Pam Boyd, Bethany Dean, David Gibbs, Mary Hendricks, and Stean.

Joellyn Hurd, Greg Baker, Kathy Van Horn, Doug Griffin, and Anna Parsons.

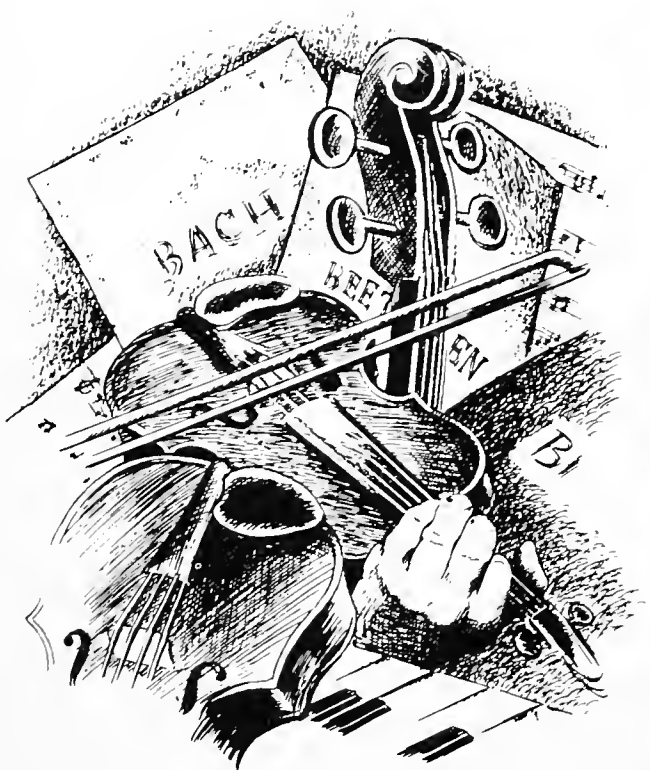

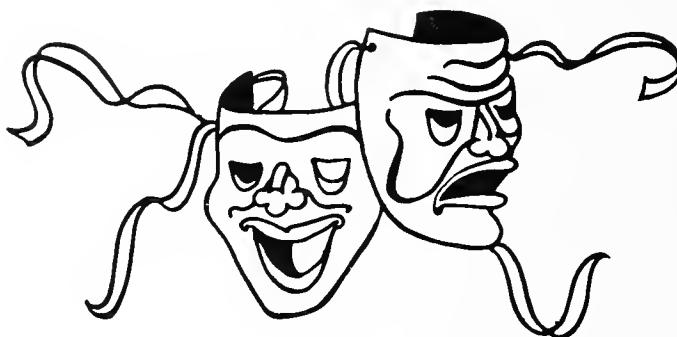

Phillip Kelly, Ralph Messner, Connie Randall, David Crane, Carol Lincicome, Miss Esther Maddox, Janice Weippert, and Reuben Mains.

Missing:

Several new musical groups organized this year at S.A.C. for spiritual ministry through song. Such is "The Life Assurance Company," a group of varied styles who witnessed with guitars, drums, and horns, at churches, banquets and rallies.

The POTTER'S VESSEL is the name chosen last year for this group and is based on Jeremiah 18:66, "Behold, as the clay is in the potter's hand, so are ye in mine hand, O house of Israel." The Potter has used this vessel, as He uses all pliable clay. Previous summer tour took these five musicians to Brazil and Paraguay in South America as part of a VISA team, and throughout the States as well.

ECCLESIA: Debbie Baird, Carolyn Smith, Daryl Smith, Nancy Teal, Glenn Teal.

Ecclesia is a greek word that means the body of believers in Jesus Christ. It is also the name of a singing group that has travelled for the past seven months for Spring Arbor College's Field Service Program. The group has sung in camps and churches all over Michigan, Ohio, and Ontario, and has spent the past three months in a weekend of singing, training laymen, and witnessing.

"Deep in unfathomable mines
Of never-failing skill,
He treasures up His bright
designs,
And works His Sovereign will."

We want Him to use His neverfailing skill through us — **THE CARPENTER'S TOOLS** — Melody Castle, Cathy Hoekle, Rick Rudd.

Praise ye the Lord.
 Praise him with the sound of trumpet,

 Let everything that hath breath praise the Lord.

The A CAPPELLA CHOIR is a joyful blending of laughter and hard work, powerful music and vibrant voices; it is appearing at Westwood Mall; bringing one's fair share on "Cookie Day," decorating faces with shaving cream on tour, and singing for the Centennial Homecoming Sunday. It is mastering a 16TH century composition by Gabrieli, performing a Christmas concert on television, and spending Saturday mornings at AMAHL rehearsals. Under the able direction of Dr. N. Hubert Wash, the A Cappella choir represents the college on many occasions. Most importantly, the members of the choir joy in lifting their voices to God.

To serve at the 1973 centennial celebrations, sixteen S.A.C. students were selected as host and hostesses. Chosen on the basis of leadership, friendliness, and school involvement, they worked at community banquets and breakfasts, aided at school and Presidential receptions, and helped with freshman recruiting. They welcomed campus guests as another facet of their volunteer services to the school. Coordinator, Joellyn Hurd, explained that the group acquired new, coordinating outfits to be worn when they served.

Karate Club Works to Obtain Perfection

Karate is a martial art which was perfected in Japan after many centuries of evolution in the Orient. Based upon both mental and bodily disciplines, it is considered to be one of the finest forms of exercise. The Karate club meets three times a week and is instructed by Seiji Matsumoto. Seiji, a Junior, received his brown belt in Japan and his black belt in California. Karate was offered for credit second semester.

1973-74 KARATE CLUB:

Encouraged by the summer school program held in the Teton Mountains of Wyoming, the Mountaineering Club was formed in the fall of 1972. The shortage of mountains in the vicinity has not inhibited the Mountaineering Club from having a good time. They have participated in backpacking week-ends, canoe trips, and scaling the ledges in Grand Ledge, Michigan, with the equipment purchased by the club. The Mountaineering Club members love nature and don't mind roughing it a bit.

The Ski Club was assembled in the fall of 1973 by Dr. Winslow and a number of ski enthusiasts. Until December they were forced to sit tight and wait for their prime element — snow. The action then began when the club enjoyed many skiing excursions.

Bulletin Board Club and Minorities Student Assoc.

The Bulletin Board club (left) was formed this year to put some order into the chaotic mess on the walls commonly called the bulletin board. Janet Shaw, Cathy Lauback, Marcia Adey and Barb Darling (missing Don Adey) have done a wonderful job of this as shown in the order and neatness of the bulletin board behind them. All of this organization makes it easy for the student to find the announcements and information that pertains to him.

Student Action Committee

The Adult Basic Education Course and Tutorial Program are one of the institutions enthusiastically supported by the volunteers of the Student Action Community. This program and other similar projects in the Jackson area utilize the talents and teaching capacities of many S.A.C. students.

Disadvantaged children find friends and personal interaction in the popular Big Brother and Sister Clubs. Several Saturday field trips and an exciting Spring retreat highlight the year. The Student Action Community continues to gather support from Jackson Businesses and institutions, as the community takes note of the dedicated work of the college students. Below are the members of the Student Action Committee; Craig Glass, Reed Johnson, and Wesley LeMarble.

Cross-Country

CROSS COUNTRY 1973

The 1973 SAC Cross Country team, with a 4-3 dual meet record, had several high points throughout its season. Led by senior Frank Dusett and Frosh Tony Luttrell, the SAC team won the Spring Arbor Inv., tied for second at Grand Valley, and placed fifth out of 17 at a tough Marion College Invitational.

The biggest thrill of the season came when SA took a 27-29 homecoming victory over defending state champions, Aquinas. With only three seniors on an eleven man squad the hopes for continued success are very bright for SA cross country.

TENNIS TEAM

The 1973-74 SAC tennis team completed its fall season with a fine 6-3 record. Jerry Lawrence, SAC's number 1 player, went undefeated in singles to pace the team. Number two singles player Jim Olson was followed by Gordon Milnes, Les Packard, Ron Kopicko and Steve Williamson to round out the team. Coach Carey is optimistic that the '74 season will be the best in Spring Arbor history.

Tennis

Golf

Most of the S. A. C. Competition is tournament competition against the finest teams in the state and out of state. The overall percentage in the won lost column was 65%-35%. While the Golf team did not place 1st in any of the tournament competition, its number 1 man and captain Mike Helmer was tournament medalist several times and was a member of the NAIA all season team. The highest achievement for the team in 1973 was a second-place finish in the NAIN state tournament. In looking to next year Mike Helmer, Dave Young, and Norm Kohn are returning letterman with freshmen Mark Eberle, Bob Harris, and Phil Owen as the new members to the team.

Womens Volleyball

"Explode" proved to be a fine expression for the S.A.C. Women's Volleyball team as they exploded into the volleyball and a victorious season, posting for the Varsity a 9-1 record and 6-4 mark for the Junior varsity. Four-year veteran Jan Gingrich, aided by veterans Carmen Learned and Cindy Whited, contributed the foundation for the young, but hard-working and talented team. Their opponents averaged only 6.8 points per game and they had a very respectable showing at State Tournaments. Coach Kay Dunckel declares that next year will be even better!

Womens Basketball

This year the Women's Basketball team has been supported by the fine assistant coaching of former player, Kathy Gabriel and coach Mrs. Kay Dunckel. Although the team lacks height, they compensate with their speed. The speed and skill present becomes the deciding factors in games where height could have overwhelmed the team. Carmen Learned, Chris Chaney, and Bev Rausa have led in scoring and rebounding; leading the way to one victory over Jackson Community College, (65-27), where they all recorded in double figure. Our strong bench is aided by our experienced Seniors Jan Gingrich and Dona Hadzor. With such a strong group of 'new-comers' and talented, experienced 'old-timers' the team anticipates greater things in future seasons.

The 1973 Cougar squad boosted with young enthusiasm with 4 seniors, 2 juniors, 5 sophomores and 7 freshman. The team compiled a respectable win loss record of 19 and 12. Competing against such power house teams as U. of Toledo, U. of Detroit, Ferris State, Fla. International and Broward. The Cougars ventured south to Ft. Lauderdale for their spring training against tough competition. The returning letterman give S.A.C. a bright outlook for the 1974 baseball season.

Wrestling

SPRING ARBOR'S FIRST MAT TEAM NOT SHY TALENT

Wrestling is a new sport this year at SAC, but it's an old one to some of Coach Anzur's fifteen man squad. Freshman Mike Boivin, 134, won 27 out of 30 matches last year at Warren Mott High School and was conference, district, and regional champ. Terry St. Louis, 167, another frosh, had a 30-8 mark at Delton High and also was a conference champ. Heavyweight Tim Hinz, a junior, was third in the MIAA as a freshman at Kalamazoo College. Ray Klein, another heavyweight and also a junior, wrestled as a starter for Central Michigan University his freshman year.

It is rather the end of the beginning.”

Editor's Letter

IT'S FINALLY COMPLETED — and as I look back over the year I realize how special my staff has been, and how lucky we were to be given the chance to create. Within the cover of this yearbook is our end product. We worked to display an entire year of accomplishments and progress in the 1974 Echo. We had a year's worth of frustration, planning, disappointment and excitement. We came to realize that in spite of preparations, plans and hopes which we began with, many changes took place — some for the worse but most for the better. We had a year of pleasant memories and valuable experiences.

Special thanks goes to Judy Marsh, our advisor, to the photographers who put in long and hard hours and to George Jackson our yearbook representative. In closing, a special note of appreciation is extended to the faculty, staff, administration and students who have given their cooperation and support during this eventful year of 1974.
